Signature of Transmitter: David T. Bracken
Date of Transmission: SEPT 7 2004

Filed herewith are a duly completed Fee Transmittal form the above application and
credit card authorization for payment of all issue fees therefor.

Applicant respectfully requests that the PTO proceed to publication out of order for this
application. This application has been granted a petition to make special. Its filing date
was over 31 months ago. Applicant is under great commercial pressure to obtain issuance
of the patent for this application. Some patents are withdrawn from issue after patent
numbers are assigned and before publication. No patent issues under such numbers.
Applicant requests that publication of this application as a patent be made under the first
available patent number, even if it is a number for which another application has been
withdrawn from publication and issue.

Respectfully submitted,

Dated: Sept. 7, 2004

David T. Bracken
